
Garage Clearance

Kev Saradjian has over 1000 items which he needs to dispose of to make space in his garage! He has provided many photographs but, unfortunately, there isn't space in this Newsletter to show them all. Here is a summary:

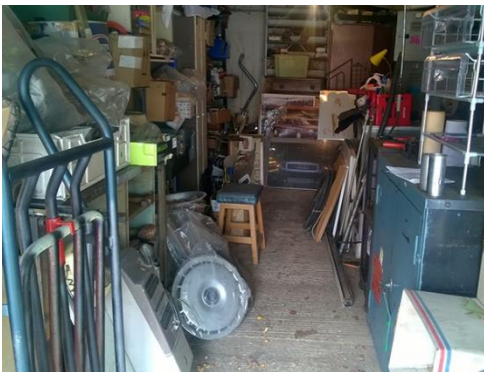

Complete set of magazines covering Project V8, Volkswagen Audi Car magazines from 1988-2000, Volkswagen Driver and Audi Driver magazines 1998-2008, Volkswagen magazines of 1980s+, Club Audi Newsletters from 1997-2001, Cars and Car Conversion magazines, a collection of magazines covering other makes of cars. Contents of his lockup garage (as he has now retired) with many VW and Audi parts and old manuals and lots of brochures, technical books, 1970s Microfiche of parts, classic 1960s tools, many Audi parts including: original rear spoiler for an Ur quattro,

detachable Audi 80 towbar & electrics, Audi 100/Passat estate roof bars and dog guard, Audi four-rings door graphics and many more.

You really need to arrange a visit to his lockup garage as it is full of classic items and he needs it emptied to make space for his S4! His wife is telling him to hire a skip! There are no throw away items. All items for sale for reasonable offers!

Kev is in Chiswick, West London, W4, a mile from the end of the M4. Call: 07735 579 776 or email: ksaradjian@googlemail.com.
